

Braces/Preventative Wear we Recommend

****We recognize that preventative care is extremely important in keeping our athletes safe.****

While we recommend the braces below, we recommend having a conversation with your therapist and or doctor in order to find the right product for you.

ANKLE: ASO Braces

KNEE:

Knees are a crucial part of body performance and preventative/tertiary can be very different person to person. We recommend talking to your physician and therapist to find the right brace for your specific need.

POSTURAL WEAR: Intelliskin

ORTHOTICS: Superfeet.com
